

Satisfied Customers

Hoover Electric has always given us prompt, courteous service. We have been blessed to be a customer for many years. Gary and his team always get to the issue quickly and complete the job in a timely manner. Wouldn't call anyone else! — Pat W

Paul, Tom and Nick were great! All questions were answered with great and understandable language. All were professional, thorough and very knowledgeable. Very pleased with their work and would and have recommended them to others. Thanks, guys! — Cynthia P

I was very pleased with my repair service. I appreciated his honesty. I required 3 task during one visit. One of the jobs was more costly than the original quote and he kept me informed. And lastly the service man was very neat. I hate when you have service men in your home and they leave a mess. — Trevor

NEED UNDER ONE ROOF!**

\$0 CALL OUT FEE

- Normal dispatch fees are \$60 but by being a VIP Member we will come out at no cost during normal business hours! Monday through Friday 7:30am - 5:00pm. Saturdays, 8:00am - 2:00pm.
- Diagnosis/troubleshooting fee may apply.
- Free estimates

FRONT OF LINE PASS

- Priority service over non VIP members which means if you have an emergency that needs to be taken care of, we will reschedule non members to get our VIPs taken care of first!

YEARLY HVAC INSPECTION

- Annual inspections on your furnace and AC are done throughout the year to ensure your system is running to its fullest potential! AC inspections must be performed at temperatures maintaining 60°F outside for them to be properly inspected. Furnaces can be inspected at any point throughout the year.

PLUMBING & ELECTRICAL INSPECTIONS

- Complimentary plumbing and electrical inspections are done upon VIP Member's request.
